Norfolk Constabulary are looking for volunteers to join a successful Community Speed Watch team in Fleggburgh.

The group carry out sessions at sites of concern within the area. The aim is to reduce speeding by means of detection and sending out warning letters to the registered keepers of vehicles.

If you would like to get involved and help your community become a safer place to live please contact us at communityspeedwatch@norfolk.police.uk to obtain details of the scheme and how you could help.
